

# Come play CSstimathon!

From the creators of the Estimation, the mindbending mixture of math and trivia, comes the CStimathon!

In teams, you'll attempt 13 problems in 30 minutes, challenging your trivial knowledge of computers, Belgrade, or anything at all. Be prepared to come up with the best set of confidence intervals! Food and drink provided, please register your attendance on our website

**Tuesday 5th November, 18.00–19.30**  
**University of Belgrade, School of Electrical Engineering  
and Computing - Room 55**
