

Let's work and develop together!

Tigar Tyres - Michelin

is recruiting

Junior Engineers

Apply NOW!!!

HILL

Tigar Tyres is founded in 2003 as a joint venture of Tigar AD Pirot and French **Michelin**. Since 2009 the company is fully owned by Michelin - a worldwide market leader in tires production and related services. By investments in its technology, continuous innovations and with products and services of the highest quality, Michelin is following its strategy of global development and constant performance improvement. To support our local development and establishment of the second plant in Serbia, we are currently looking for several young candidates, highly motivated and driven by the opportunity to learn and progress professionally, to join our team at the position of

Junior Engineer

- positions based in Pirot -

We need:

- > university degree in electrical, electronic, mechanical, or technology engineering, other technical field or organizational sciences
- > previous exposure to industrial environments can be advantageous, but is not necessary
- > fluency in English and strong PC skills are mandatory
- > excellent interpersonal, communication and organizational skills
- > high initiative, dedication and drive for continuous learning and development

After the initial assessment of your skills, competencies and potentials you will be delegated for work in one of the following five departments: Engineering, Development, Maintenance, Quality control or Organization and Optimization of production. There you shall be given the induction training and shall be introduced to the full scope of your tasks and duties. You shall be constantly guided and tutored by your superior and senior colleagues, but also shall be given own responsibilities.

We offer:

- > a personalized career prospects, in tune with your capacities and interests
- > a chance for you to explore various professional domains and activities
- > trainings that shall enable you to feel comfortable with your mission and responsibilities
- > our interest in your ideas, your proposals and your enthusiasm
- > ample opportunities to exercise your duties in an international environment

If you are motivated by this unique opportunity, we invite you to send your CV and application letter in English, exclusively to our HR Partner. Full confidentiality, careful approach to each application and a response to all applicants is guaranteed.
