

Job Description

Job Title: Site Safety Supervisor
Reporting to: Country Manager
Location: Turkmenistan

Purple Martin s.a.l is the first company in the Middle East and Africa to provide total Human Resources Outsourcing services; it is based in Lebanon and serves clients in the MEA region. One of the services that we provide is Recruitment.

An MEP contracting company specialized in the design, supply, installation and maintenance of mechanical, electrical and low current systems is currently looking for a site safety supervisor for Turkmenistan.

The Safety Supervisor is responsible for the implementation of safety policies and procedure and for ensuring its compliance with Occupational Safety and Health Administration (OSHA) rules and regulations.

You need to have:

1. University Degree
2. Minimum 3 years of experience in safety in the construction field
3. OSHA certificate is a plus
4. Knowledge in OSHA policies, procedures, rules and regulations
5. Ability to learn continuously about new equipment and policies/procedures in order to maintain total regulatory safety compliance
6. Good verbal and written communication skills
7. Ability to effectively train employees
8. Ability to work independently

It would be considered advantage if you have:

1. Experience in ensuring project HSSE requirements are communicated to all relevant personnel and verify compliance by all appropriate means (meetings, inspections, monitoring, and audits)
2. Ability to provide appropriate HSE training for employees
3. Knowledge in assisting in the investigation of incidents and near misses and the development of actions to address the root causes
4. Ensure observation cards are completed to report substandard practices, substandard conditions and good observations and in line with the project milestone

In return we offer:

1. Full-time employment
2. Competitive Salary
3. An opportunity to take part in cutting-edge projects
4. A career path development
