We are looking for:

Future Game Developers

Take part in our 3 months long, paid, full-time internship!

COMPANY DESCRIPTION:
Ubisoft is one of the leaders in entertainment, with a rich portfolio of well-known brands worldwide. We are committed to enriching players' lives with original & memorable entertainment experiences. Ubisoft Belgrade was established in 2016 and focuses on strengthening Ubisoft's presence on multiple platforms – PC, console, and Google Stadia. Our studio has contributed to multiple AAA titles, including Tom Clancy's Ghost Recon, Steep, The Crew 2 and Tom Clancy's Rainbow Six. Here you will get a chance to work together with young, creative and talented individuals who are just as passionate about gaming as you are!

JOB DESCRIPTION:
Are you a programmer looking for a way to gain experience in making games?
Apply for our second Ubisoft Belgrade Game Dev internship and learn to develop video games in C ++, along with colleagues and mentors who will guide you throughout the process

REQUIREMENTS:

- General knowledge of C ++ programming
- Advanced English language skills
- Ability to work in a team
- Passion for video games

UBISOFT OFFERS:
- Opportunity to learn how to develop a game (the production cycle of a video game)
- Opportunity to work and learn from the most technically gifted people in the gaming industry using latest technology and solutions
- Modern and cozy offices in downtown Belgrade
- Possibility to travel abroad
- Great referral fees
- Private health insurance
- Flexible working hours
- Numerous fun activities you can participate in as well as a very casual and friendly working environment
- Game room and your own Uplay account

The best trainees are chosen at the end of the period and are offered employment in Ubisoft.
