

Is currently looking for a
SOFTWARE ENGINEER

We are:

Ibis Solutions is a part of the Ibis Group, which has been one of the main drivers of the company's digital transformation in the regional market for more than 25 years. Thanks to long-term partnerships with companies such as IBM, Oracle, Red Hat, Ui Path, etc., through system integration projects as well as software development, Ibis Solutions has so far provided significant support to over 300 clients from Southeast Europe.

We are looking for a highly motivated, positive and productive, **SOFTWARE ENGINEER** who will join our team.

What will you be doing:

As a member of our tech team, you will have the opportunity to extend your knowledge with innovative products and technologies and be involved not just in implementation of solutions from our portfolio into real customer environments, but as well in their design, integration, testing, operation and support. Customer education and software demonstrations are part of the job description. You will work closely together with your team, with leading telecommunication operators, finance and utility companies in the SEE region.

We expect that you have:

- Relevant university degree (Faculty of Electrical Engineering, FON or Faculty of Mathematics)
- Basic knowledge of Linux OS
- Understanding of programming concepts
- Proficiency in English
- Good time management and organizational skills
- Knowledge of SQL and relation databases is a plus
- Knowledge of telecommunication infrastructure and services is a plus

You are:

- Eager to learn, open-minded and hardworking person
- Proactive problem solver
- Detail oriented and self-motivated
- Open to receive and apply constructive feedback
- Able to effectively communicate

We offer:

- Opportunity for professional development and individual development plan
- Onboarding process with great mentors
- Coaching and training to help you grow
- Working with a highly collaborative and positive environment
- Working closely with leading telecommunication operators in the region
- Benefit package (FitPass, health insurance, flexible working hours, various sports and team building activities)

Sounds interesting?

If yes, show us what you've got and send your CV at career@ibis-solutions.rs. Have in mind that only candidates selected for an interview will be contacted.
